This Amendment modifies Contract No. 1335-12627, for BrowseAloud Software License by and between the County of Cook, Illinois, herein referred to as "County" and MSF&W, Inc., authorized to do business in the State of Illinois hereinafter referred to as "Contractor":

### RECITALS

Whereas, the County and Contractor have entered into a Contract approved by the Chief Procurement Officer on October 7, 2013, (hereinafter referred to as the "Contract"), wherein the Contractor is to provide BrowseAloud Software License (hereinafter referred to as the "Services") from October 1, 2013 through September 30, 2014, with two (2), one (1) year renewal options, in an amount not to exceed \$6,595.00; and

Whereas, Amendment # 1 was executed on October 29, 2014 for one (1) year beginning October 1, 2014 through September 30, 2015, in the amount of \$6,595.00; and

Whereas, the Contract will expire September 30, 2015, and the agreed upon Services are still required; and

Whereas, an increase in the amount of \$6,595.00 is required for the continuation of Services; and

Whereas, the County and Contractor desire to renew the Contract for one year from October 1, 2015 to September 30, 2016.

Now therefore, in consideration of mutual covenants contained herein, it is agreed by and between the parties to amend the Contract as follows:

1. The Contract is renewed through September 30, 2016.
2. The Contract is increased by \$6,595.00 and the Total Contract Amount is revised to \$19,785.00.
3. GC-06 of the Agreement is deleted in its entirety and is revised as follows:

All invoices submitted by the Contractor shall be in accordance with the cost provisions contained in the Contract Documents and shall contain a detailed description of the Deliverables (i.e., the goods, equipment, supplies or services) including the quantity of the Deliverables, for which payment is requested. All invoices for services shall include itemized entries indicating the date or time period in which the services were provided, the amount of time spent performing the services, and a detailed description of the services provided during the period of the invoice. All invoices shall reflect the amounts invoiced by and the amounts paid to the Contractor as of the date of the invoice. Invoices for new charges shall not include "past due" amounts, if any, which amounts must be set forth on a separate invoice. Contractor shall not be entitled to invoice the County for any late fees or other penalties.

In accordance with Section 34-177 of the Cook County Procurement Code, the County shall have a right to set off and subtract from any invoice(s) or Contract price, a sum equal to any fines and penalties, including interest, for any tax or fee delinquency and any debt or obligation owed by the Contractor to the County.

The Contractor acknowledges its duty to ensure the accuracy of all invoices submitted to the County for payment. By submitting the invoices, the Contractor certifies that all itemized entries set forth in the invoices are true and correct. The Contractor acknowledges that by submitting the invoices, it certifies that it has delivered the Deliverables, i.e., the goods, supplies or equipment set forth in the Contract to the Using Agency, or that it has properly performed the services set forth in the Contract. The invoice

must also reflect the dates and amount of time expended in the provision of services under the Contract. The Contractor acknowledges that any inaccurate statements or negligent or intentional misrepresentations in the invoices shall result in the County exercising all remedies available to it in law and equity including, but not limited to, a delay in payment or nonpayment to the Contractor, and reporting the matter to the Cook County Office of the Independent Inspector General.

When a Contractor receives any payment from the County for any supplies, equipment, goods, or services, it has provided to the County pursuant to its Contract, the Contractor must make payment to its subcontractors within 15 days after receipt of payment from the County, provided that such subcontractor has satisfactorily provided the supplies, equipment, goods or services in accordance with the Contract and provided the Contractor with all of the documents and information required of the Contractor. The Contractor may delay or postpone payment to a subcontractor when the subcontractor's supplies, equipment, goods, or services do not comply with the requirements of the Contract, the Contractor is acting in good faith, and not in retaliation for a subcontractor exercising legal or contractual rights.

3. The attached Economic Disclosures Statement and Identification of Subcontractor/Supplier/Subconsultant forms are incorporated and made a part of this Contract.
4. All other terms and conditions remain as stated in the Contract.

In witness whereof, the County and Contractor have caused this Amendment No. 2 to be executed on the date and year last written below.

**FAMILIAL RELATIONSHIP DISCLOSURE PROVISION**

**Nepotism Disclosure Requirement:**

Doing a significant amount of business with the County requires that you disclose to the Board of Ethics the existence of any familial relationships with any County employee or any person holding elective office in the State of Illinois, the County, or in any municipality within the County. The Ethics Ordinance defines a significant amount of business for the purpose of this disclosure requirement as more than \$25,000 in aggregate County leases, contracts, purchases or sales in any calendar year.

If you are unsure of whether the business you do with the County or a County agency will cross this threshold, err on the side of caution by completing the attached familial disclosure form because, among other potential penalties, any person found guilty of failing to make a required disclosure or knowingly filing a false, misleading, or incomplete disclosure will be prohibited from doing any business with the County for a period of three years. The required disclosure should be filed with the Board of Ethics by January 1 of each calendar year in which you are doing business with the County and again with each bid/proposal/quotation to do business with Cook County. The Board of Ethics may assess a late filing fee of \$100 per day after an initial 30-day grace period.

The person that is doing business with the County must disclose his or her familial relationships. If the person on the County lease or contract or purchasing from or selling to the County is a business entity, then the business entity must disclose the familial relationships of the individuals who are and, during the year prior to doing business with the County, were:

- its board of directors,
- its officers,
- its employees or independent contractors responsible for the general administration of the entity,
- its agents authorized to execute documents on behalf of the entity, and
- its employees who directly engage or engaged in doing work with the County on behalf of the entity.

Do not hesitate to contact the Board of Ethics at (312) 603-4304 for assistance in determining the scope of any required familial relationship disclosure.

**Additional Definitions:**

*"Familial relationship"* means a person who is a spouse, domestic partner or civil union partner of a County employee or State, County or municipal official, or any person who is related to such an employee or official, whether by blood, marriage or adoption, as a:

Aleatha,

Contract no. 1335-12627 for the County Clerk is being increased renewed from October 1, 2015 to September 30, 2016. The underlying contract was for \$6,595.00, and so had 0% M/WBE goal. Please advise the Office of the Chief Procurement Officer if any action is required by the Office of Contract Compliance at this time.

Let me know if you need any additional info. We are hoping to go to the November 18 Board meeting with this item.
